NOTE

TO THE DEWAN OF MYSORE
(FOR ORDERS.)

Application of Venkatasubbaiyi's son

The clerk who died of Plague had done service enough to earn a good pension Even calculating that he enjoyed it only 2 years the sum would amount to 660 Rs If a 6 months' gratuity were given, he will have got 330 Rs 190 Rs is due from him As his son is studying in the B.A. class & is said to be a very deserving young student, I would strongly recommend that the 190 Rs & odd due be excused, and a scholarship of 15 Rs a month

3059
I would not recommend any balance of the amount advance - this a bad precedent & the pensioners entitled to get the scholarship - there are several other applicants & they must be content with their own
